LOYALTY

1990

"Cheer, Cheer, for old Waltonville,
Wake up the echoes cheering her name,
Send the valley cheer on high,
Shake down the thunder from the sky,
What though the odds be great or small,
Old Waltonville will win over all,
While our loyal sons go marching,
Forward to victory."

No one could ever forget Waltonville's March Madness in 1990. School spirit soared to an all-time high when the Cinderella Express rolled on to the Super Sectionals at SIU. It took our Spartans to create the biggest frenzy our community had yet to see. The citizens of Waltonville showed unwavering spirit and loyalty, and the school and team greatly appreciated it. This is why the community of Waltonville is pictured on our loyalty page. Our thanks go to you. A big thanks also goes out to our players, cheerleaders, coaches, and managers. Thanks for making 1990 a year we won't soon forget.

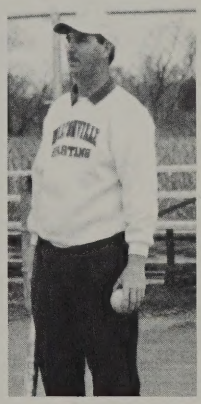
DEDICATION TO THE SENIOR CLASS OF '90

We raise our leg to take a new step off of the paved road. Now the road we travel will be unknown to us in the days ahead. Let us look back at the old, but smooth road we have traveled and remember that we are the class of '90 and our new road could lead us to a bright future and a happy life.

TEACHER OF THE YEAR



The '90 Spartan Staff has chosen Mr. Ed Belva as Teacher of the Year. Mr. Belva has a Bachelor's degree in Physical Education from McKendree College in Lebanon, Illinois and he has been coaching for eighteen years.

Mr. Belva lives in Woodlawn with his wife, Jan, and daughters, Kelly and April. Mr. Belva's pastimes include golf and "keeping up with the game of basketball."

Mr. Belva is the boys' basketball coach, the girls' softball coach, and the Driver's Education teacher here at the high school. His favorite coaching experience was the success of the '89-'90 season.

Mr. Belva feels that the best thing about coaching is "being around kids, because it helps to keep you young." He also feels that his biggest disappointment is "seeing kids not reach their potential and develop, not only in sports, but in life."

When asked what he would have liked to have done differently, Mr. Belva replied, "I would have pursued a career in a higher level of coaching at a younger age."

Mr. Ed Belva contributes much every day to the education of Waltonville students. Congratulations and thanks, Mr. Belva.

Sponsor's Note — I would like to take a few lines and thank the staff in general and the seniors in specific for the fine work they have done this year and last. Most people have no idea the time and money needed to put a yearbook out year after year. Besides the problem of raising five to six thousand dollars, pictures of school events have to be taken and developed and then the actual pages constructed.

Chris Gajewski, Mindy Wilderman, and Holly Allen were our junior staff members this year and I thank them for some very fine work.

To the seniors on staff I would like to add a special note. I took the yearbook over three years ago with no experience at all. Sabra Shepard was the only member with any experience and she helped greatly. Beth Russell was a staff member her junior year and I thank her for her work. To the rest (Julie Copple, Susan Morss, Helen Kabat, Gretchen Lamke, Cindy Merda, Susan Philp, Susan Wagner, and Casey Hampton) I want to congratulate you on a job well done the last two years. We have always managed to make our deadlines and budget though at times I know we were not sure of either. The entire student body owes these people thanks for spending hundreds of hours for no credit or pay to make sure we all have a yearbook to remember the year by. I'm sure your work and creativity will be missed. Thanks again!!!

Mr. Frakes

The FHA Chapter was involved in many fun and educational activities this year thanks to their wonderful and outgoing advisor, Miss Sherry Buch. The FHA had a Halloween party and haunted house, freshman initiation, volleyball and pizza party with the Mt. Vernon FHA chapter, and attended the Region Rally in Carbondale. Susan Philp, Helen Kabat, Susan Morss, and Melody Lappin attended a Peer Education Workshop in Bloomington. They had their annual Christmas party, sold pizzas, had many activities during Nat. FHA Week (Feb. 11-17), and ended it with the Sweetheart Dance Feb. 17. The FHA attended the Section meeting in Wayne City where three of our members were installed as Section officers. They had a slave sale, attended State Convention in Peoria, had their annual Mother/Daughter Banquet, and ended the year with an exciting fun-filled trip to the St. Louis Arch and shopping. Many thanks go out to Miss Buch and the officers for a wonderful year.

89 90

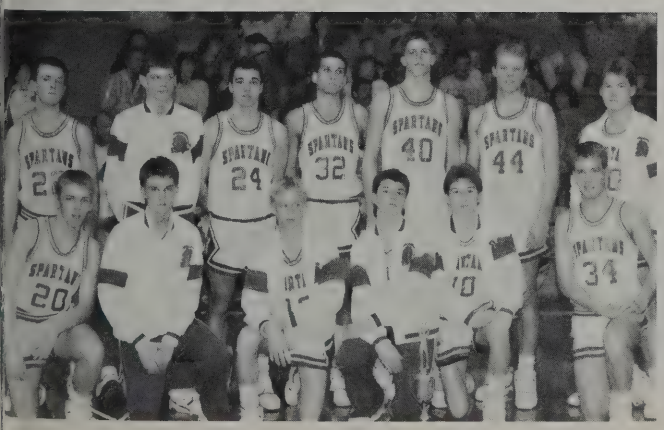
Pictured above with their seasons awards are the 89-90 spartans. Front Row: Melody Lappin Mgr., Danny Czerwinski — Vidio, Jill Garrison Mgr. Second Row: Brice Sheriff, Jeff Williams, Ryan Winchester, Tim Colle, Josh Davis, Matt Dressler, and Jamie Copple. Third Row: Head Coach Ed Belva, Scott Haley, John Kiselewski, Jason Newell, Matt Carpenter, Ryan Norris, Greg Winchester, Jason Dees, and Coach Matt Fisher.

It was an exciting season enjoyed by the Spartans in 89-90. Some of the highlights are mentioned below and the staff hopes the pictures on the following pages will bring back memories of a March Madness experience. Photo credits go to Mr. Stricker (the better pictures) and Mr. Frakes. Season highlights include a 20 win season against a brutal schedule. The Spartans finished second in the conference with Matt, John, Ryan, and Scott making all-conference. The Spartans won shoot-outs at Salem and West Frankfort with Ryan the M.V.P. at Salem and Matt M.V.P. at West Frankfort. The Spartans finished third at Eldorado (Below) while winning both regional and sectional titles (see following pages). By the time the Spartans reached super-sectional sweet 16 play at S.I.U. only 16 out of @400 teams remained. As a result of their strong finish the Spartans would finish the season ranked 12th in the State of Illinois.

Post season honors would go as follows. Ryan Norris was selected to the 4th team I.B.C.A. all-state team with Matt and Scott receiving special mention. Ryan, Matt, and Scott were also selected to the all Southern Illinoisian team. Scott Haley participated in the Illinois-Indiana all-star game and Matt Carpenter played in the mid-state all-star game.

The J.V. team under Coach Fisher ended the season with a 10-5 record and a first place conference finish.

Coach Belva was named Southern Illinoisian and I.B.C.A. District 21 Coach of the Year. A well done to all involved.



Pictured at the left is the spartan team after receiving their third place trophy at the Eldorado tournament played in December. The Eldorado tournament is a prestigious tournament having produced several state tournament participants in the past. The spartans defeated Hardin County and Harrisburg before being nipped by Century. Before a packed house Waltonville handled McLeansboro for the third place title. Ryan and Scott were all tourney.

Pictured above are snaps from the Sparta Sectional. By the time sectional play opened 64 teams were still alive. Only 16 would emerge to enter sweet 16 play. The Spartans pulled off the biggest upset in the State in their first game by downing State ranked Mater Dei in O.T. Scott Haley sank big shots with just a few seconds left to ice the victory. In the finals, the Spartans defeated state ranked Pinckneyville to claim the sectional trophy. A big reception followed that game in the gym with the Spartans now ranked 12 in the entire state. The Spartans never trailed for one second of the entire sectional play!!!

SPRING & REGIONAL SNAPS

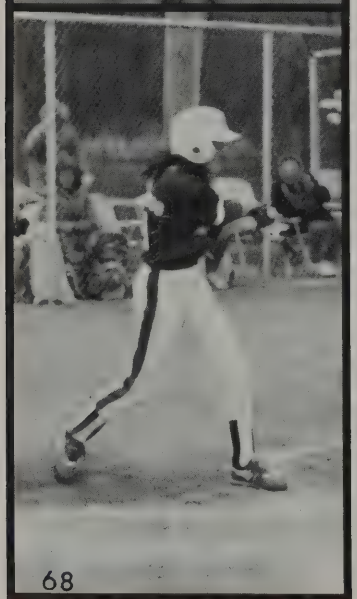
An often repeated sight Leslie shoves a strike!



The 1990 Lady Spartan Softball team enjoyed its finest season in school history. The team finished with a final record of 22-5 with an 8-2 Mid-South Conference mark. After winning the conference last year the team tied for the conference crown this year. Vicki Allison, Carrie Erpenbach, Ami Kiselewski, Brandi Higgans, and Leslie Lockwood were All-Conference selections. The Lady Spartans also became regional champs with a fine 7-2 victory over Z-R in the finals and beat Vienna 12-2 before losing to eventual state finalist Pinckneyville. With Stephanie the only senior good things seem to be down the road. Well done ladies!!!

The pictures on this page are from the West Frankford regional and the Waltonville Sectional held at West Frankfort Park and Haley Field. The girls drew an opening home game and defeated Christopher at home before moving to West Frankfort where they defeated fine Elverado and Z.R. teams to claim a regional title. The Lady Spartans then returned home to the Waltonville Sectional to handle a very good Vienna team. This set up the Sectional final between Pinckneyville and Waltonville. The Lady Spartans played good defense and received good pitching but the Lady Panthers prevailed 3 to 0. The ladies had several chances to win in the late innings but fell just short. Pinckneyville went on to finish 3rd at State.
